This school-parent compact is in effect during the **2022-2023** school year.

REQUIRED SCHOOL-PARENT COMPACT PROVISIONS

Provisions bolded in this section are required to be in the Title I, Part A school-parent compact.

SCHOOL RESPONSIBILITIES

Relevant Academy will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

Relevant Academy will provide high quality instruction through the use of Edgenuity, which is aligned with state standards, in a virtual environment. Students will be expected to attend on their assigned cohort days as scheduled.

Relevant Academy will provide highly qualified and certified staff that will be on campus for learners five days a week. Students will have contact information and schedules to access staff during after hours.

Specifically, those conferences will be held:

Parent Teacher conferences will be held in the fall (October) and also in the spring (February).

3. Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:

Parents will have access to the online curriculum (Edgenuity) at any time. Parents can also elect to have weekly emails or text messages sent to them to provide updates on their learner's progress.

4. Provide parents reasonable access to staff. Specifically, staff will be available for consultation with parents as follows:

Staff is accessible from 7:30 a.m. – 2:30 p.m. by appointment or may be emailed or called at any time during the day on school cell phone number. Staff may also be accessed during after hours with an online schedule provided to parents on the school's website – www.relevantacademy.org

5. Provide parents opportunities to volunteer and participate in their child's class and to observe classroom activities, as follows:

**Consent for Disclosure of Immunization Information to
Local and State Health Departments**

Immunizations are an important part of keeping our children healthy. Schools and State and Local health departments must monitor immunization levels to ensure that all communities are protected from potentially life-threatening diseases and, if necessary, respond promptly to an emerging public health threat. It is important that disease threats be minimized through the monitoring of students being immunized.

Sharing immunization and personally identifiable information including the students name, Date of Birth, gender, and address with local and state health departments will help to keep your child safe from vaccine preventable diseases. The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, requires written parental consent before personally identifiable information from your child’s education records is disclosed to the health department. If your child is 18 or over, he or she is an “eligible student” and must provide consent for disclosures of information from his or her education records.

You may withdraw your consent to share this information in writing at any time.

I authorize Relevant Academy to release my child’s immunization record to the Michigan Department of Health and Human Services and Local Health Department. I understand this information will be used to improve the quality and timeliness of immunization services and to help schools comply with Michigan Law. This includes any immunization information and limited personally identifiable information from the school.

Participation in College Planning Options Consent Form

Your child will participate in one of the SAT® Suite of Assessments on a school day—SAT® with Essay, PSAT/NMSQT® or the PSAT™ 10. The purpose of this form is to explain the information your student will be required to provide and the options available to your student related to their free SAT score sends, Student Search Service®, and the student questionnaire.

REQUIRED INFORMATION

Students will be required to provide College Board, the provider of the SAT Suite of Assessments, their first and last name, school name and school code, date of birth, grade level, gender and, for some states and districts, student identification number. This information is the minimum needed for scoring and reporting test results.

Options for Students

FREE SCORE SENDS

Students who are taking the SAT with Essay can send their scores to up to four colleges or scholarship programs at no cost. Score sends are optional, but we encourage students to demonstrate their interest in their chosen schools early. If left blank, no scores will be sent. Consent is not required for students to utilize their four free score sends.

STUDENT SEARCH SERVICE

As a parent, you can give consent for your student to opt in to Student Search Service when they complete their answer sheet. Student Search Service connects students with colleges and scholarship organizations by sharing their information with participating organizations. This offers you and your student:

- Information about colleges and universities that match your student's academic interests
- Information on financial aid and scholarships to help deserving students access scholarships they've earned

- Information about majors, courses, and degree options

College Board only shares student data with eligible colleges, universities, scholarships, and educational opportunity programs that have signed an agreement to only communicate with students for the purposes listed above. These entities most often connect with students based on expected graduation date, cumulative grade point average (GPA), score range, and intended college major. The service is free to the student, but these entities pay College Board a license fee to use the service. College Board uses these license fees to support its mission-driven work, including providing vouchers so students from lower-income families can take the test for free. College Board is a not-for-profit organization.

STUDENT QUESTIONNAIRE

As a parent, you can give consent for your student to participate in the student questionnaire. The information from these questions will be added to their College Board student record. Your child's responses to the optional questionnaire:

- Provide data used by College Board for research and planning to improve tests and services
- Help match students with colleges, universities, scholarships, and educational opportunity programs

The SAT Study Guide and the PSAT/NMSQT Student Guide describe what the student questionnaire asks and how student information is used. The SAT Study Guide can be accessed from the College Board website at (<https://collegereadiness.collegeboard.org/sat/inside-the-test/study-guide-students>), and the PSAT 10 Student Guide can be accessed from the College Board website at (<https://collegereadiness.collegeboard.org/pdf/official-student-guide-psat-10.pdf>). The 2020 PSAT/NMSQT will be available later in the summer. Parents can learn more at the College Board Privacy Center webpage at (<https://about.collegeboard.org/privacy-center>).
