Table B: Achievement Related to Academic Goals

Provide a narrative on progress toward meeting the goals outlined above.
This year students grow appropriately from the start of the year to the middle of the year and then we saw a decline in growth from the middle of the year to the end of the year, with the exception of our economically disadvantaged students in reading. This may be because of the creation of the R180 program that most of these students fell into based on fall NWEA scores.
