December 2023

Happy December!

It's hard to believe that we'll be waving goodbye to 2023 soon. What a year it has been! At Relevant Academy, 2023 was filled with change and growth, saying "see you later" to a wonderful group of graduates, and saying "hello" to one of the largest incoming classes we've seen in quite some time! We've added two classrooms, a new teacher, & partnered with a local district to develop a new specialized program for their students. There are so many reasons to look back with pride and even more reasons to look forward to the opportunities of 2024!

Thank you all for being on this journey with us. Each of you play an important role in the success of our programs and, in turn, the success of each student we serve.

Happy Holidays,

Loretta

Loretta Williams, Dean of Students
Relevant Academy

Attendance Line 517-925-5460

- All absences, tardies, and early pick-ups MUST be called into this number.
- This is a voicemail only line that is available 24/7.
- Please leave your student's name, date(s) of absence, and reason.

Important Dates

- 12/15: LCC/CTE visit
- 12/20 & 12/21: Cocoa Bar
- 12/22 - 1/7: CLOSED FOR CHRISTMAS BREAK
- 1/26: End of 1st Semester

**PARENTS, IF YOU
DON'T READ
ANYTHING ELSE,
PLEASE READ THIS!**

First semester will end on January 26th. A higher than usual number of students are behind and are in jeopardy of failing one or more of their classes. We are seeing far too few students reach their weekly activity goal or put in enough time online to make adequate progress.

Please remember, even though students are only physically on campus twice weekly, they are all expected to work from home an additional 2-3 days. The common expectation is 50 activities per week to STAY on track and more than 50 activities to GET on track if they've fallen behind.

Students not completing/not passing at the end of 1st Semester should plan on attending Summer School during the months of July & August.

Parents, if you're not understanding the weekly updates you receive, please reach out to a member of the leadership team for clarification.

A Starry Night

NOVEMBER 16, 2023

We cannot say thank you enough to everyone who made "A Starry Night" possible!

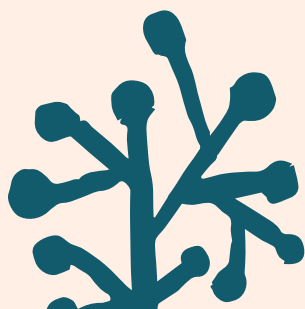

The gifts of space, time, & talent gave students an opportunity to create fun memories together and we are all so appreciative.

Students, thank you for coming. You all looked amazing and carried yourselves with such class. The adults in the room loved watching you smile, laugh, sing, and dance!

We look forward to creating more social events and outings in the near future.

**Winter weather is coming!
Please follow us on FB as
closings/delays will be
posted there first!**
